Wreath Laying in the Sanctuary

Shrine Representative:

The Merchant Navy is frequently referred to as The Fourth Service because without this civilian service no country can hope to win a war. This is service that transports the troops, their equipment and vehicles, their water fuel and ammunition to where it is

With Deb, our editor, we presented certificates of appreciation to a number of primary and secondary schools for their assistance and participation with the recent ANZAC badge sales and service. The appropriate school representatives were delighted with the certificates and were sharing with the students.

We hope they will continue to be a part of the ANZAC and Remembrance Day Services, as these students are tomorrows adults.
