The End

Deb's words

We have had a good month, all be it a very cold one.

Wednesday arvos are as popular as ever, the last coach tour was excellent, and we are fast

approaching the next which is promising to be very interesting.

Dinner at the footy club are happening without any pushing required.

Even though it is cold to leave the house and your jammies.

My husband is still in Sydney two nights a week, but I have not been naught since Nola gave me a 'talking to' about it.

From the largest collection of Kelly Gang armour in Australia to forensic evidence from some of Melbourne's most notorious crimes, the Victoria Police Museum presents visitors with an intriguing insight into the social history of policing and crime.

Learn what life would have been like as a police officer in the 19th century, discover some of the shady underworld figures lurking around Melbourne's streets in the 1920s and explore the diversity of policing in the 21st century.

Exhibitions at the Victoria Police Museum include the iconic armour worn by members of the Kelly Gang; the remains of the car used in the Russell Street headquarters bombing and police files on some of Melbourne's most infamous criminals, including 'Squizzy' Taylor.

The Museum hosts a number of temporary exhibitions throughout the year. Check the website for details on current exhibitions.

Also located in the Museum is the Victoria Police Museum Shop, offering unique gifts for adults and children. Delve into some crime, mystery and history with the range of books, unique collection-based products and Victoria Police branded merchandise.

That's

According to a survey 99.9% of men looking at this picture won't notice the mouse on the donut!

funny

I wasn't born with a silver spoon in my mouth...

...I was raised with a wooden spoon on my ass!

Barb was lying in bed one night. Larry was falling asleep but Barb was in a romantic mood and wanted to talk.

She said: "You used to hold my hand when we were courting."

Wearily Larry reached across, held her hand for a second and tried to get back to sleep.

A few moments later Barb said: "Then u used to kiss me..."

Mildly irritated, Larry reached across, gave her a peck on the cheek and settled down to sleep.

Thirty seconds later she said: "Then you used to bite my neck..."

Angrily, Larry threw back the bed clothes and got out of bed.

"Where are you going?" Barb asked.

"To get my teeth!"

OLD FRIENDS

Two elderly ladies had been friends for many decades. Over the years, they had shared all kinds of activities and adventures. Lately, their activities had been limited to meeting a few times a week to play cards.

One day, they were playing cards when one looked at the other and said, "Now don't get mad at me... I know we've been friends for a long time but I just can't think of your name. I've thought and thought, but I can't remember it. Please tell me what your name is."

Her friend glared at her. For at least three minutes she just stared and glared at her. Finally she said, "How soon do you need to know?"

20/06/18 The Shrine Melbourne

Our last Bus Trip was an outstanding day to the Shrine organised by Andy Brady. Andy was a Guide at the Shrine for many years and is now retired. His knowledge of the Shrine was outstanding and we were privileged to have him as our guide. On behalf of the R.S.L. thank you Andy for a great day.

This photo tells a story of the thousands of people who have marched on Anzac Day and other Anniversaries of Battalions

down St Kilda Road at the North-end entry to the Shrine. On the left-hand side of the photo in the foreground reminds us when Queen Elizabeth came to Australia and lit the Eternal Flame and in the background we see the changing

Melbourne skyline with the new high-rise buildings.

As we stood and listened to Andy's explanation of the Lone Pine and when it died a seed was taken and this is a new Lone Pine tree. It was a solemn occasion.

In the early 1800's this area is where the weather Bureau Station was first established. The buildings have been renovated, and equipment serviced, and later this year will be opened to the public.

Deb, the two photos that I sent you on the SMS I'm sure you will place the foundation stone next to the photo of the Shrine.

Once a year the Sunbury Historical & Heritage Society celebrates the Life of Kathleen Mary Aitken M.B.E. Award for outstanding Volunteering in the town of Sunbury. This year 2018 it was decided that there would be extra awards as many outstanding people had contributed to our community.

Our R.S.L. Member & Historical Society Member, Mr William James (Jimmy) Thompson over the years with his Radio and Recording skills has done much for our community.

He has come to a part of his life that he realised his recording equipment needed to find a good home and he donated all his equipment to the Sunbury Historical & Heritage Society, and the two photos are of him being presented by the President, Peter Free, with a framed Certificate of Appreciation for his past contributions over many years and for his donation to the Society.

The Technician at our Radio Station and a member of the Sunbury Historical & Heritage Society, Mr Steve Tyers, is going to carry on the good work that Jim has done over many years.
